MUSIC.

This department is under the direction of an excellent teacher of instrumental and vocal music. Special lessons in vocal culture are given.

A chorus class is taught once a week in which special attention is given to reading music, time, accent, and everything necessary to congregational singing.

In instrumental music, special attention is given to theory and harmony.

This department is open to both sexes.

ART DEPARTMENT.

The teacher in charge of this Department has had the best advantages for study, and is prepared to do good work. Students receive instruction in the principles of drawing from copies, objects and nature; crayon and charcoal studies; painting in oil, water colors and pastel.

THE PRIMARY DEPARTMENT.

This department is under the direction and supervision of the Faculty of the College, and is presided over by a teacher of experience and acknowledged ability and adaptedness for instructing the younger students. Rare advantages are offered in our Primary Department.

PREPARATORY DEPARTMENT.

Students of this department are also under the direction and supervision of the Faculty of the College, and are instructed by the Faculty of the College.

MATRICULATION.

In order to become a member of the College, the student must call upon the president, enroll his name, and pledge conformity to the laws of the College, and make arrangements for the expenses of the term.

Students are received at any time, but we would emphasize the importance of entering at the beginning of the term. No deduction will be made for absence, unless it be for protracted sickness or other unavoidable circumstances.

GOVERNMENT.

An important part of education is self-government. The discipline of Weaverville College first proposes to the student self-government as the highest type of government, and seeks to surround him with a social atmosphere toned with purity, honor, and piety. Hereto the Young People's Society of Christian Endeavor of the College is a valuable auxiliary. The department enjoined for maintaining membership and good standing in the College, is defined by the morality of the Bible, the proprieties of gentlemen, and the fitness of our positive rules.

Every student is required to be present at chapel service which consists of the reading of the scriptures, singing, and prayer.

Want of moral character and reckless indifference to law and order, the use of ardent spirits, carrying pistols, card playing and gambling of any kind, profanity, lying, fighting, or any other gross violation of order, will disqualify any one for membership in College.

Every student is expected to assist in maintaining good order.

PUBLIC WORSHIP.

Public worship is held in the chapel on Sunday, at which all students are required to attend. Students with the advice or permission of their parents, and with the consent of the Faculty, may attend worship elsewhere. Every student is urged to attend Sunday school.

A Christian character is considered the great essential, and no pains will be spared to surround the students with such influences as may be necessary to restrain them from vice and encourage them in virtue.

EXAMINATIONS.

At the close of each quarter, examinations are conducted in writing as a test of proficiency and advancement, and each student's grade is recorded. If a grade of seventy in one hundred is not reached, the subject must be reviewed. No one can graduate until this grade has been reached on all the studies in the course.

DEGREES.

The degree of Bachelor of Arts is conferred on those who complete, in a satisfactory manner, the studies of the entire Classical Course.

Graduates in the English Scientific Course receive the degree of Bachelor of Science. Diploma fee, \$5. All dues to the College must be satisfactorily settled.

The degree of Master of Arts is conferred on the graduates of three years' standing, who have sustained themselves honorably in scholarly pursuits, upon their application for the degree, accompanied by the usual diploma fee, \$5.

TERMS AND VACATIONS.

There are two terms in the year. The Fall Term begins on the second Thursday in September, and continues twenty weeks. The Spring Term begins at the close of the first and continues twenty weeks.

PRIZE MEDALS.

THE VANCE MATHEMATICAL MEDAL.

This Medal was founded by Gen. Robt. B. Vance, and is awarded annually during the Commencement exercises, to the student who stands the most satisfactory examination in the College Course of Mathematics.

THE REAGAN MEDAL.

For the encouragement of proficiency in Oratory, this medal is given annually at Commencement, by Rev. J. A. Reagan, M. D., to the successful candidate in the oratorical contest.

THE WEAVER MEDAL.

This Medal was established by the liberality of Capt. W. E. Weaver and Mr. C. P. Weaver, and is awarded annually to the best declaimer.

THE FIELD DEPARTMENT MEDAL.

This Medal was founded by H. L. Lang, Esq., is perpetuated by A. M. Field, Esq., and is annually awarded to the student that has the best department record.

LITERARY SOCIETIES.

The Oliosophic and Delphian Literary Societies hold weekly meetings for literary exercises, and form an interesting and important part of our literary organizations. They award medals for excellence and improvement in debate.

REPORTS.

Reports will be sent the parent or guardian of each student at the close of the term or oftener, and will contain an account of the student's proficiency, and diligence in study, and general deportment.

FREE SCHOLARSHIPS.

Ministers of the gospel, preparing for the regular pastoral work, are not charged tuition, provided, however, they engage in that work; if they do not, they will be expected to pay as other students. Deductions are made in favor of the children of ministers in the pastoral work.

APPARATUS, LIBRARY, AND MINERALS.

We will secure Apparatus as soon as we are able. Our Chemical apparatus is sufficient for our present purposes.

We have some books as the beginning of a library. We hope to add to these from year to year. Any donations of books will be gratefully received.

A good nucleus for a cabinet of minerals has been collected. Additions will be made from time to time. Our friends will confer a favor on us by sending us specimens of minerals, fossils, or woods.

LOCATION.

Weaverville College is beautifully situated in that salubrious clime, "The Land of the Sky," eight miles northwest from Asheville, and four miles east from Alexander Station, in one of the most picturesque portions of the far-famed mountain region of Western North Carolina. Weaverville is a small, quiet village, containing about two hundred and fifty inhabitants. Some buildings have been recently erected, and work will soon be commenced on other houses.

The circuit and district parsonages of the M. E. Church South, and one of the M. P. Church are located here.

All communications for the officers or students of the College should be directed to Weaverville, N. C. Money may be sent by registered letter or postoffice order to Weaverville, N. C.
